PYONGYANG STRUT

Stockholm disease is the predictor of Trump's worst nightmare.

BOSOM PALS

JUST GRAB EM

Who was the world's first carpenter? Eve, because she made Trump's banana stand.

TRUMP IN NORTH KOREA

Donald Trump is like toilet paper, he's either on a roll or taking shit from asshole.

POLICE LINE

What's the difference between Donald Trump and his job? After it's over, Donald Trump will still suck.

What's worse than waking up at a party with a penis on your face? Finding out it's Donald Trump.

Why couldn't Donald Trump cross the road?
