Locofo Chaps is dedicated to publishing politically-oriented poetry.

Chicago, USA, 2017

Of Good Counsel

Themis' Mytheme My Theme
Land and Mind Scope
Escape scarp landmind is/was
By the Nature of Gut
Snipe the guttural leaves wet with
If in you winter would
earth bones over Deucalion's shoulder
Flood the Earlier Flood
A house and roof bones
Balcony w/bullet hole
To Cut the Fact out of a Place

Of Good Counsel

Themis' Mytheme My Theme

to land and mine
rust

the notched sword, that which is
put in place

a long time ago

what proper was there tight in
restoration

Land and Mind Scope

arrest
oracle

the crick in my back
the spine in my needle

unflinches
sown seed

this flown narrow
escape of

missed tarry,
lateness

yet getting there, getting
in place

fixed up
right

the Titaness to tighten us
blindfolded just
adjustment
hour

troll

trill

guttled categories and institutions

foils

fiber optic cabling solutions

she wrote in the margins

bleakness...

Escape scarp landmind is/was

branches shake out their autumnal tambourines, thinning
but all you hear is wind

all I hear is

depths

By the Nature of Gut

string 'em up

lychee nut flinching
lynched mob

"If all of Rome had but one neck."

Ban on, pop vote loser
SUPPRESS

All hail work
linear agora
laborious
I've had my fill

police the
quicksilver
lie

Rain of the Bloody Dove
falls lard up
poll tic body
toxic ignoramus

U.S. dump
ambiguity

for

Themis' sword to cleave fact from fake

it's innate
the need

for freedom

she of the lovely cheeks
acknowledgement
to offer Hera a cup

inamorata

Snipe the guttural leaves wet with

effluence
floats in space this whole specific
life storyland

the ground gritty yet
effervescent

how can I stand, I can't
the crumbly

trickle

met escarpment
Themistocles

achiote and doceat your partner

hard
wares

heard whereas

Alexandria, VA
Foggy Bottom

Olde Towne punch-in-the-face ~~Alt Right~~ Nazi Spencer
my neighborhood (not the poetic) Spicer
the liar

buy yr chocolates here/
Blüprint Chocolatiers
blues space – it's
safe
& not their fault

I used to want to watch things burn
Now I want baby panda vids
panacea

thoughts?

If in you winter would

tarmac

I wouldn't complain

control over words
sharp
knot
scope

prehensile exiled tuber

your resilient complexity of
trill

it's it a

sounding

heard wheres

the unfolding

where's the unfolding?
here

ice layer
fluster guts

topos, typos, tropos
trolling

I, slayer

earth bones over Deucalion's shoulder

[how to repopulate]
bomb

Flood the Earlier Flood

w/bacon
Pygmalion
fuck squad

It's worse than we thought for starting over

give disinformation the slip
glissade

so fraud with angsty butter up
coup snuggle

traditional re-order
pants off

two by two

power over truth versus power of truth

herd wares
lair of

fools

and yet there's a
deeper seismic

shuffle

going on...

A house and roof bones

fixed upright
take a lie to dance around
the glee-mad laid

board relish
sangfroid

sloppy tap
stop asking for

nexus
plexus
fungible skyway highview
rehab

when thar ain't no
prefab recourse

in wearing hard a people's sham
conscience

Balcony w/bullet hole

dodged into shame-painted wood
we all gotta get guns now
a slot, a notch gone all
bunker

lodge the angle of entry
acquiescence

topologies of bending light
time lapse color streaks

no apologies
[a name escapes me
misshapen shot technical, irretrievable]
pinched between thumbtip and forefinger
can be slid out

and bitten

parrot and the dog below
Garden District New Orleans
bark of the blighted oak and retriever
golden exhaust

glass wire insulators
deterrence cements broken bottles into the top of a wall

lo and behold green glint
nail

a staircase climbs alone in a lot
drops off
to oil, rubble

I pick up a pebble and pocket the costs

To Cut the Fact out of a Place

& put it
right
where you live

in earnest blood trust
task

I don't know if that's the task

I dunno
Higho!

if that's the

tarry fold

primal voice
feel it
to divine
natural

sturdy refrain

free rein

but fracture planet mudrush Armageddon
seed, stem, and root

while my little plant

~~bends~~
resists.
